November 8, 2021

Dear King Members, Friends, and Family:

We've been battling the spread of COVID-19 in Wisconsin for about 20 months. We need everyone to do their part to help prevent the spread. We continue to strongly urge you to get vaccinated if you haven't already and you are able.

Since we updated you on November 3rd, we have had one employee test positive for COVID-19. Currently we have two cases of COVID-19 on campus (zero members, two employees).

I hope that you will continue to follow the guidance set by the Centers for Disease Control when it comes to face coverings, social distancing, and hand washing.

Please take steps to protect yourself, your family, and your community. Working together, we can stop the spread of COVID-19 by being as safe and responsible as possible.

Sincerely,

Tammy Servatius, Commandant
